thinks it would be fun to be a spy
thinks it's important not to cry in public
thinks it's important to share feelings openly

thinks keeping their room clean is too much effort
thinks life would be incomplete without good literature
thinks lying is okay if it doesn't seem likely to hurt anyone
thinks people who are depressed just need to try harder to be happy
thinks physical attractiveness is more important than intelligence in a romantic partner
thinks that affirmative action is an appropriate way to address race and gender disparities
thinks that having a strong military is critical to continued prosperity in the US
thinks the book 'Catch-22' is a work of genius
thinks the US was right to invade Iraq
throw a birthday party for a friend
toss a Frisbee around in the park
touch toes without bending knees
tries to eat mostly organic food
try a new kind of ethnic food
try on formal wear just to see how you look
try out a new hairstyle in public
try to buy only organic foods
turns off the light switch whenever leaving a room empty
ultimately wants to live in South Africa
uses large, expressive hand gestures while talking
uses plastic, rather than wood, coat hangers
usually folds down a book's page corner instead of using bookmark
usually get hay fever in the spring and summer
usually gives money as a gift for birthdays and holidays
usually wears black or other dark colors
value learning about other cultures
visit a part of Boston you've never been to
visit a sick friend in the hospital over the weekend
visit the dentist for a check-up
voted for John Kerry in the 2004 election
walk with a slight limp
want Barak Obama to be president
want to accept an invitation to attend a "naked" party
want to always be told the truth
want to be a leader
want to be educated just to increase later earning potential
want to eventually live in the Pacific Northwest
want to eventually live in the south
want to explore spirituality through different religions
want to go bungee-jumping
want to go skydiving
want to have better handwriting

want to impress other people
want to learn karate
want to live near a large body of water
want to lose weight
want to marry someone of a different race
want to please others
want to seem happy even when sad or frustrated
want to start a family someday
want to travel through India and Nepal
want to ultimately be a stay-at-home parent
want to ultimately end up living close to home
wants others to think of them as brave
wants to be an electrical engineer
wants to take care of other people
wants to win at all costs
was a troublemaker as a child
was a varsity athlete at a large university
was always the shortest person in school
was born in January
watch a horror movie
watch a laser light show
watch a reality TV show
watch a romantic comedy
watch a sports game with friends
watch an improv comedy show
watch several episodes of 'The Simpsons' on DVD
watch TV on a thursday night
watch your current favorite sitcom
watches almost every space shuttle launch on TV
wears fairly hip clothes bought at thrift shops
wears glasses for nearsightedness
wears glasses instead of contacts
weigh more than 160 pounds
went to four different elementary schools
wish childhood could've lasted forever
wish time-travel were possible
work on a sudoku puzzle before class
worry about getting a good summer job
would attend a speech by a political candidate from either party
would be happy living alone in a cabin in the mountains
would come up with an excuse not to help a friend in need
would do something just because it was unusual or off-beat

would feel lost without their friends
would like to be more athletic
would like to be more muscular
would never eat food that had passed its expiration date
would never wear the same pair of jeans two days in a row
would only drive an American car
would rather do something active with friends than sit around talking
would rather go to an interesting event alone than skip it if there was no one to go with
would rather talk about nothing than have periods of silence in a conversation
would readily offer help to a stranger on the street
would really enjoy having a dog to come home to every day
would've preferred to have lived in another century rather than in today's society
write a letter to the Boston Globe about an issue you care about
write a thank you note to a favorite teacher
write to your senator about an upcoming vote
